

CARITAS

2019 Annual Report

Innovation - Integrity - Passion **Servant Leadership - Achievement**

As you know, we've been moving rubble and raising funds to bring the CARITAS Center to life. It has taken several years, hundreds of bright minds and working hands, and a lot of faith and passion. As we've worked toward this bold vision, our mission still presses on each and every day. Our important work has never ceased.

Our Shelter case managers connected men and women to vital resources to lead them out of crisis. The Healing Place peer mentors led by example and showed men how to live in recovery. Our Furniture Bank warehouse team loaded up trucks every day as they headed out to the homes of families in need. CARITAS Works staff and volunteers prepared men and women for their next big job interview.

Many hands make this work possible, including yours. As we plan to open an innovative center, we remain committed to our core values, listed above.

They guide our decisions and help us serve our community in a way that leads to great impact.

CARITAS 2019 FINANCIALS

Donors and supporters like you keep our momentum going. Because of your belief in our vision and trust in our success, we have been able to map out a road to the future that will, for the first time, allow us to reach women suffering from a substance use disorder.

YOUR DOLLARS AT WORK

When you give to CARITAS, your contributions go far. We leverage donations by working with **volunteers who serve 12,000+ hours** every year. For every hour YOU contribute, we can turn it into \$3.60 of service to our residents and the community at large. We're proud of this success.
