Welcome to our Virtual Event

Traditionally, Celebrity Serve has been a sit-down dinner with local celebrities acting as the waitstaff. These personalities showed off their special talents in order to earn “tips” that were donated to CARITAS. After dinner, there was a live auction and a paddle raise to support CARITAS’s critical mission of saving lives.

To keep everyone safe during the pandemic, this year’s event is completely virtual. As Dorothy famously said in the Wizard of Oz, *There’s no place like home*. We hope you’ll enjoy the interactive broadcast from the comfort of your home, as we show you the amazing new CARITAS Center that’s now home for us. A one-hour show will be broadcast through the CARITAS facebook page from 6-7 p.m. Use the comments feature to interact with other viewers!

In the following pages, you will see instructions for logging into our auction website. There, you will find more than 50 amazing packages to bid on.

Because you can’t tip our celebrities in person, there is a “Tip the Celebrities” category in the auction. Additionally, the “Support CARITAS” category allows you to make cash gifts to support specific financial needs for CARITAS.

At the conclusion of the auction, we will contact you with information about receiving the items you’ve won. All physical items, including wine from Auntie Em’s Wine Raffle, must be picked up at u-fab, 7921 W Broad Street, on Tuesday, March 2 from 3-6 p.m. You will also receive a tax receipt.

CARITAS is a 501(c)(3) public charity. All donations are deductible minus the value of goods and services received.

Thank You to Our Committee!

Websites and broadcasts and Zoom, oh my!

The challenges of the last year forced our committee to plan an entirely new type of event, with no in-person meetings held throughout the planning process. We are grateful to the following volunteers for their tireless work to keep the Celebrity Serve tradition alive in its 18th year:

Sharon Hord
Laura Bacon
Ana Conceicao
Wanda Goodridge
Missy Ryan
Toni Sanders
Dawn Siegel
Melinda Snow
Kelsey Spicer

Signed Copies of "41" and "All the Best" Books

This package includes signed books from both George W. Bush and George H. W. Bush.

All The Best, George Bush: My Life in Letters and Other Writings

Organized chronologically, readers will gain insights into Bush's career highlights—the oil business, his 2 terms in Congress, his ambassadorship to the UN, his service as an envoy to China, his tenure with the CIA, and of course, the vice presidency, the presidency, and the post-presidency. They will also observe a devoted husband, father, and American.

Ranging from a love letter to Barbara and a letter to his mother about missing his daughter, Robin, after her death from leukemia to a letter to his children written just before the beginning of Desert Storm, this collection is remarkable for Bush's candor, humor, and poignancy.

41: A Portrait of My Father

Never before has a president told the story of his father, another president, through his own eyes and in his own words. A unique and intimate biography, the book covers the entire scope of the elder President Bush's life and career, including his service in the Pacific during WWII, his pioneering work in the Texas oil business, and his political rise as a Congressman, U.S. Representative to China and the UN, CIA Director, Vice President, and President.

Golf Foursome at the Foundry Golf Club

One round for 4 non-member players at the Foundry Golf Club, valid Monday - Thursday. Two golf carts included. A forecaddie is required, and the tip is included with this package.

Built in 1990 by local developer J.K. Timmons, the Foundry Golf Club is laid out among the naturally rolling terrain along Fine Creek in Powhatan County. Mr. Timmons sought to build a course that would be challenging to both the novice and the low-handicap player alike.

As the golf course winds among the wetlands along Fine Creek, the golfer will encounter a wide variety of holes. From doglegs left and right to subtle elevation changes that place a premium on properly judged approach shots to small, aggressively contoured greens, the golfer will find that The Foundry examines every part of his game. Yet, due to the course routing, he will often feel himself alone with his playing companions, making The Foundry a perfect destination for an intimate round with family, friends or business associates.

Golf for 3 at Country Club of Virginia James River Course

CCV member Ruble Hord will host 3 guests on the James River course. Carts and 1 beverage per guest included. Guests may purchase additional beverages and services such as a caddie if desired. Guests may use the practice range facilities to warm up prior to their round.

The James River Course first opened on June 30, 1928 as the combination of two nines from separate golf courses designed by noted golf architect William Flynn.

This masterful combination became a fine championship course, hosting numerous tournaments including the 1955 and 1975 USGA Men's Amateur Championships. Carved among trees and hills with strategically placed bunkers and challenging greens, the course was renovated in 1992 by Rees Jones and restored in 2003 by Lester George. George converted the fourth hole into a dramatic par three featuring a much smaller putting surface and a creek that flows into a greenside lake. Otherwise, the original character of the course has been kept intact with only subtle strategic improvements.

Golf Digest recognized the course as one of America's best newly remodeled courses of 2005 and among the best in the state for 2007–2008.

55 Power the Furniture Bank Truck for 1 Month

A gift of \$1,000 will support the monthly cost of gas for the trucks that pick up and deliver furniture for the CARITAS Furniture Bank!

Each year, the Furniture Bank serves between 800 and 1,000 individuals and families. We receive donations of gently-used furniture and household goods from generous community members like you.

We fill our warehouse with these items and create a “showroom.” Here, case managers and their clients “shop” for their new home with our volunteers. Case managers only refer clients who have met a set of criteria that demonstrates their need. The amount of items the client receives depends on the size of the household and the availability of items at the Furniture Bank.

Tuition for 1 CARITAS Works Participant

Support one person's participation in the 6-week CARITAS Works program.

Individuals recovering from substance use disorders or experiencing homelessness often face the most significant barriers to employment. For the last decade, the CARITAS Works program has leveraged community resources to prepare graduates from The Healing Place and other challenging circumstances to re-enter the workforce. Volunteer coaches teach skills ranging from resume writing to time management, and professional clothing donations from the community help us to outfit our graduates with beautiful attire to start off on the right foot.

At the end of their 6-week program, nearly all Works graduates secure employment. Most are still employed 1 year later. Works commencement ceremonies happen throughout the year and are open to the public (currently virtual). You will leave feeling inspired by the second chances this program provides!

One Night of Residential Recovery at The Healing Place
